

The Kendleshire

The Badminton Suite

Our largest conference space is the Badminton Suite, occupying most of the first floor of the building. It benefits from south-facing full-height windows providing vistas across the course beyond and a stunning bay window.

The Suite is fully fitted with audio-visual equipment, standard with every room hire. You are supplied with an automated lectern with VGA sockets for easy connection to your laptop and offers the ability to project one image to both screens or two separate images. It is also fitted with a sound system for connection to your laptop, and a wireless radio microphone.

The Badminton Suite has its own bar, lounge area, restaurant facilities and the opportunity for small break-out areas.
